

# 3 Questions to Ask Before Downloading Apps for Kids

Does it connect different experiences?

- ✓ Bridge activities between spaces (like home and school)
- ✓ Helps the family have fun together
- ✓ Prepare for new experiences

Does it allow your child to learn and grow?

- ✓ Build on interests
- ✓ Engages in creative play
- ✓ Provides age-appropriate content rather than passive tapping

Does it encourage communication?

- ✓ Provides opportunities discuss the activity
- ✓ Offers ways to play or create together
- ✓ Connects to distant friends or family
